

Criteria for Complimentary Investor Registration:

Qualified investors include:

1. Senior management or investment staff with a Fund (ETF, mutual fund, or other non-bank institution) currently invested in life sciences.
2. Senior management or investment staff from a pension or employee benefit plan currently invested in life sciences.
3. Senior management at a family office currently or previously invested in life sciences.
4. Senior leadership or management with a venture or private equity firm managing assets of \$25 million or more.
5. Senior management at an angel investor fund (or group) currently or previously invested in life sciences.
6. Senior management at a charitable or not-for-profit organization with a fund of \$5 million or more currently invested in the life sciences.
7. Research analyst from a FINRA (the Financial Industry Regulatory Authority) accredited institution (e.g. sell-side analysts, and investment advisors or groups at banks).
8. Research Analyst for a fund currently invested in U.S. life science companies.
9. Crowdfunding platforms and "Accredited Investors" invested in biotech that have gained importance to the biotech industry under the JOBS Act (subject to BIO's discretion).

An investor who receives complimentary registration is expected to participate in the BIO One-on-One Partnering™ System, ideally with at least two meetings secured through the system.

Attendees who do not qualify for complimentary registration include:

1. Financial advisors or representatives from advisory service firms.

2. Service providers/consultants to the biotech industry.
3. Product suppliers to the biotech industry including CRO's and CMO's.
4. Firms that provide services and/or charge a fee to biotech companies in exchange for research/media/investor relations coverage. For complimentary registration for members of the media, or for media inquiries please contact abigail.hirsch@bio.org.
5. Retail investors.
6. Investment and merchant bankers.
7. Real estate development professionals.
8. Members of economic development organizations.

BIO reserves the right, in its sole discretion, to make the determination of the proper classification of an investor or registrant. Depending on this classification, registration fees may be required. BIO reserves the right to publish materials and restrict conference and/or partnering system access consistent with these determinations. BIO also reserves the right, in its sole discretion, to qualify investors with a vendor interest on a case-by-case basis
