About

BIO Business Solutions® is the **largest cost-savings program for the life science industry**, offering BIO and state affiliate members exclusive, industry-specific offers on a variety of general business solutions, such as insurance, finance and PEO, as well as access to lab products, waste management services and more—all in one place and tailored to save your company time and money.

How does it work?

BIO Business Solutions® pools the purchasing power of thousands of life science companies to negotiate **competitive pricing and favorable terms** on supplies and services critical to their success.

There is **no charge** for BIO and state affiliate members to participate, and companies can utilize one, some or all of the special pricing arrangements.

Why is BIO Business Solutions right for me?

Instant access to a rich portfolio of services.

From lab equipment and office supplies to HR and shipping services, we've got you covered on the **services life science companies need and are used by industry peers** on a regular basis.

The due diligence is done by industry experts.

We renegotiate with company partners to ensure that we offer the **most competitive rates and terms**. Not only are your contract terms guaranteed year-to-year, but rest assured that they are reviewed and enhanced regularly.

Tailor the offerings to your business model.

Whether you are operating a lab or virtual biotech company, our suite of services can be packaged to **fit your business needs**. Use them all or just a few. As your business grows, simply add to your list of discounted services.

More savings. More research.

How do I sign up?

Participation is free for BIO and state affiliate members and signing up is painless. Just give us a call or send us an email and let us know what you'd like to save money on. We'll do the rest!

Trusted and Preferred by Biotech Leaders

"Companies are going to get more of a response as a member of BIO through these programs because they're seen as part of a large customer as opposed to a small company that's trying to make it on its own."

– ISAAC YOUNG

GxP Procurement & Supplier Management Senior Director, Sangamo Therapeutics, Inc.

"The BIO Business Solutions program offers excellent options that help me attain the goal of sparing cash, which drives us successfully to our other goals... It will save you time and money!"

– KEITH MURPHY

Founder & CEO, Viscient Biosciences

"Our company has been using the BIO-VWR National Program since 2006. Our analysis showed over a 46% savings on lab supplies last year with additional savings on freight, fuel surcharges, hazardous material handling fees, as well as earned cash-back rebates that are also part of the program. We couldn't be happier."

– LYNN CILINSKI

Vice President & Controller, MacroGenics, Inc.

"With BIO Business Solutions®, the due diligence has been done and the discounts negotiated for us. We now have the same buying power as much larger companies..."

– KARTHIK RAMACHANDRAN

Co-Founder & Chief Operations Officer, Likarda LLC
