COST SAVINGS
FOR BIO MEMBERS**

[LEARN MORE](#)

UPS Healthcare brings reliability, scalability and security to life science companies every day with dedicated end-to-end logistics solutions. BIO members have access to exclusive rates and discounts on shipping services like UPS Next Day Air®, UPS Ground Commercial, and UPS Worldwide International.

Moreover, after recent renegotiations, BIO members participating in the UPS Healthcare program are in for **increased savings and discounts**.

What are the Updates?

1. BIO negotiated increased discounts **while reducing the weekly revenue band threshold** to achieve these discounts. For example, a company that spends \$1,500 to \$4,999.99 weekly for UPS Next Day Air® shipping now receives a 60% discount rather than a 50-55% discount under the previous arrangement.
2. UPS Healthcare is eager to help companies of all sizes meet their shipping goals and deadlines. **If you are a life science company with complex shipping arrangements, there may be customized options available to you.** Simply, reach out to save@bio.org to learn more.
3. **Continued access to the same popular shipping services** like UPS Next Day Air®, UPS 2nd Day Air®, Ground, and Worldwide. Now, they just included improved discounts!

BIO Members Can Save Up To:

- 74% on UPS Next Day Air®
- 59% on UPS 2nd Day Air® & UPS 3 Day Select Services®
- 51% on UPS Ground® Commercial Services
- 68% on UPS Worldwide International Services
- And more on value added services.
