## Moving & Relocation Benefits for BIO Members

- **Access to more than 300 agent locations** across the country, including Humboldt Storage and Moving
- **Local, long-distance, and international** moving solutions
- **Laboratory, office, and employee relocations**
- Regulatory compliant, **climate-controlled specimen relocation** for laboratory moves
- And more!

[Get Started with United Van Lines](#)

Is your life sciences company downsizing or relocating? The last few years resulted in the need for less and/or more collaborative spaces for many companies. If this is the case for you, look no further than United Van Lines, America's #1 Mover®.

Whether you are moving across the country or just across state lines, United Van Lines offers innovative moving solutions designed for moves of any complexity. Even your employees can take advantage of reduced moving rates if they are relocating - what a perk!

**As BIO's preferred moving and storage company, United Van Lines provides life sciences companies with discounts on climate-controlled moving, employee relocation, and more.**
