Finance managers play a critical role within life science companies. With seamless integrations to account systems like SAP Business and QuickBooks to automated bill pay and receipt matching, Brex is there to support your finance team.

By the end of the year, finance leaders will be able to share tangible benefits with company leaders and employees such as:

- Rewards tailored for life sciences companies. This means **7x points for conference registrations, 4x points for travel, and 3x points for lab supplies.**
- **High credit limits**, which are necessary in this industry at times.
- And, **no annual fees or foreign transactions.**

Higher card limits ✓

Zero Brex fees abroad ✓

Fast, online approval ✓
