Transform your company's spend management process, *for free*, with Brex, the preferred corporate credit card for life sciences.

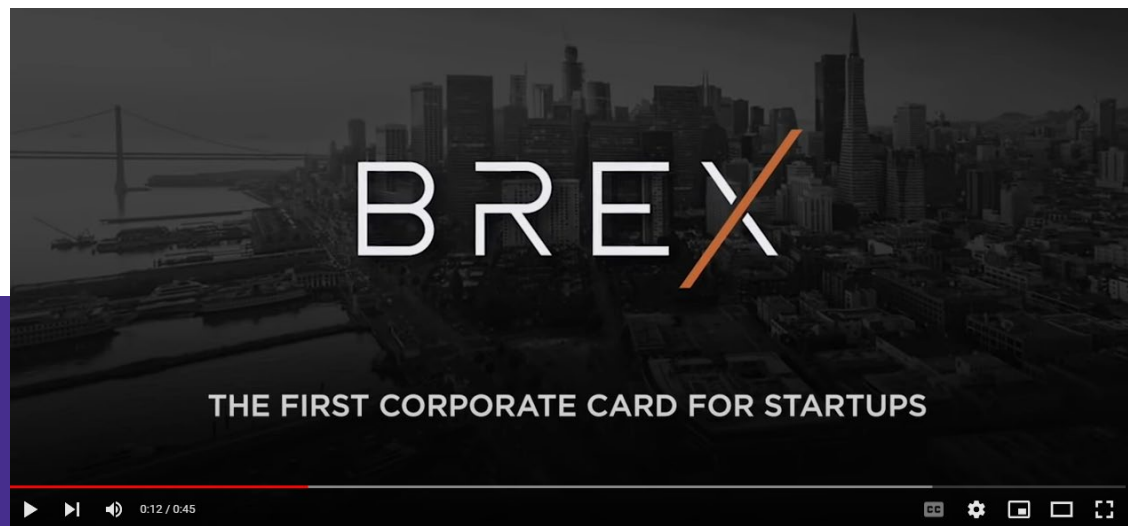

Brex is mobile first and built for employees and companies that are both inside and outside of the office.

Employees can track expenses on the go while finance managers gather transactions automatically - no receipt chasing necessary.

Why wait? Streamline your reporting processes, while receiving unmatched industry perks.

- Rewards tailored for BIO Members. This means **7x points for conference registrations, 4x points for travel, and 3x points for lab supplies.**
- **High credit limits**, which are necessary in this industry at times.
- And, **no annual fees or foreign transactions.**
