

## EXCLUSIVE COST SAVINGS FOR BIO MEMBERS

[LEARN MORE](#)

Does your company do research in a wet lab? Are you looking for a single-source lab waste partner?

Clean Harbors, BIO's preferred provider for environmental services, can help manage your waste programs while **reducing segregation hassles, training requirements, and compliance risk.**

[Learn More](#)

## Services for Life Science Companies

### 1. Laboratory Chemical Packaging & Waste Disposal Services

- Handling, packaging, transportation, and disposal of laboratory chemicals and of hazardous and non-hazardous waste in liquid, solid, semi-solid, sludge, and gas forms.
- Laboratory relocations, closures, and cleanouts.

### 2. Compliance Services

- Online Compliance Program, which includes OSHA Bloodborne Pathogen training, HIPAA Compliance, and how to maneuver through The Code of Federal Regulations (CFR).

### 3. On-site Remediation Program

- On-site staff with expertise in lab inspections, biohazardous container management, bulk storage tank management, managing satellite accumulation areas, and more.

## Additional Member Savings

- **35-40% off** disposal services
- **15-20% off** transportation and materials services
- **35% off** labor charges
- **Free site visit** to ensure storage area and recordkeeping are in compliance, as well as waste stream review
- And more!
