

EXCLUSIVE COST SAVINGS FOR BIO MEMBERS

[LEARN MORE](#)

Are you sharing sensitive documents with regulatory advisors, partners, CROs, or other third parties?

Share documents. Simply, securely.

Whether you are assembling a new drug application (NDA), biologics license application (BLA), or any other regulatory submission, leverage the document and organizational controls provided by **ShareVault**, BIO's preferred document distribution platform.

66 Protected File Types

Document Control Features

- **Configurable file security policies** (see image above) allows you to define appropriate file security (i.e. whether a user can print, save, screen capture, etc.).
- **Information Rights Management (IRM)** allows you to retain persistent control over documents shared (i.e. revoke files already downloaded).

Organizational Tools

- **Inter-document hyperlinks**, which are common in regulatory documents, are preserved and save time.
- **eCTD (electronic common technical document) view** allows for an efficient review of regulatory submissions.

Savings for BIO Members

- **Minimum 25% discount** on ShareVault's primary products
- **Minimum 30% savings** off the standard pricing of ShareVault for SharePoint
- eCTD tag structure available at **no cost**
- **Free one-month trial**
- and more!
