

# COST SAVINGS FOR THE LIFE SCIENCES

[LEARN MORE](#)

## Enhance productivity, ensure accuracy, and keep costs in line

**Is your lab performing at peak efficiency?** Improve lab safety while maintaining gas purity and minimizing consumption by partnering with Airgas Healthcare.

**Airgas Healthcare**  
an Air Liquide company

As BIO's total gas preferred provider, Airgas helps you achieve consistent and accurate results.

### How?

- **Laboratory and specialty gases** - pure gases, gas mixtures, and special application gases
- **Specialty gas equipment** - pressure regulators, purifiers, generators, gas detectors, and more
- **Gas supply modes** - cylinders, liquid cylinders, MicroBulk and bulk
- **Life science products & services**
  - Cylinder safety products and PPE
  - EZ-GAZ™ gas monitoring service that provides remote contents visibility, notifications & supply optimization
  - Biobanks and cryorepositories

[LEARN MORE](#)

## Member Savings

The best part is your company can access savings on products and services from Airgas as a member of BIO or participating state life science association.

- **Discounts** on cryogenic and gas distribution equipment and safety products
- **Hotlist of medical-grade** nitrogen, helium, argon & carbon dioxide, plus dry ice and other custom gases
- **Customized agreement** for renewal, removal, and remedy, with guaranteed terms and savings
