

EXCLUSIVE COST SAVINGS FOR BIO MEMBERS

[LEARN MORE](#)

Reluctant to share sensitive information with partners and investors?

Share documents. Simply, securely.

As a life science company, you understand the value of securing confidential information at every stage, whether it's fundraising, partnering, FDA regulatory compliance, or clinical trials.

With ShareVault, you can trust that your information is shielded from unauthorized access. **ShareVault's advanced security features help safeguard your IND, NDA, or BLA submissions and clinical trial documents to ensure regulatory compliance.**

THE **ULTIMATE DATA ROOM** FOR LIFE SCIENCES

Endorsed by BIO and its affiliates, ShareVault is the platform of choice for Life Science applications:

Product Development

Partnering & Licensing

Corporate Document Sharing

Regulatory & Clinical

Due Diligence & Dealmaking

Premier Features

- **Boost efficiency:** Share sensitive information with investors, partners, stakeholders, CROs and consultants.
- **Enhanced security:** End-to-end encryption, two-factor authentication, and access controls to protect your information.
- **Enhance collaboration:** Reduce friction and share confidently in a secure, controlled environment.
- **Accelerate deal-making:** Speed up the due diligence process, negotiate deals, and secure funding more effectively.
- **Ensure compliance:** Stay in line with industry regulations like HIPAA, GDPR, FDA, and others through an audit trail of all activity.

Savings for BIO Members

- **25% off** on ShareVault's primary products
- **Up to 30% off** for multi-year agreements
- **Free 30-day trial**
