

# Grant Application Timeline (SBIR/STTR) - 3 Month Schedule - Overview

This is intended to be a general framework. See next diagram for details. In general, the schedule is determined by key activities performed at the beginning and the end of the process. Once these activities are scheduled, the remaining 'middle' period is filled with the application composition activities.

# Grant Application Timeline (SBIR/STTR) - 3 Month Schedule - Detail

Timelines may expand or contract depending on the specific FOA release schedule. This framework is 3 months, or 12 weeks (SBIR general guidelines for application preparation time is shorter: 2.5 months, or 10 weeks).

## Limiting factors:

- Funding Opportunity Announcement (FOA) - time between Release Date and Due Date
- Registrations - may take up to 2 Months. Dun & Bradstreet, SAM, SBA registry, any others required by agency of interest.
