Login

Accessing BIO Partnering™ for the first time

1. Register for the conference & receive the login email from biopartnering@bio.org
2. Click the link to the partnering system
3. Verify your email address using the new Multi-Factor Authentication System (MFA)
4. Enter the MFA code
5. Set your password
6. Login using your newly created password
7. Enter the MFA code to verify your new account & enter the partnering system

 Then bookmark <https://partner.bio.org>

 **Continue**

Do you have a support person managing your meetings?

Add them as a guest to access your partnering account on your behalf

- 1 Click on your **Name/Headshot** in the upper right corner
- 2 Select **Edit Profile**
- 3 Click on the **Preferences** tab
- 4 Under **Guest Settings** add the email address of your guest

TIP:

Add your guest email address as the **Alternative Email Address** in the **Notification Settings** field as well so they receive important updates.

View & share the guest access tutorial at letspartner.bio.org/resources

Adding Guest Access does not constitute registration to the event, does not create a separate account for meetings and will not allow you access onsite at the event. Please register for the event to receive a partnering account.

My Company

My Company

Maximize your searchability & visibility with a complete profile.

The screenshot shows the 'My Company' profile page on the BIO Partnering platform. The page includes a sidebar with navigation links: Request Meeting, Dashboard, Search Directory, My Company (highlighted), Calendar, Meetings, Favorites, Help + Support, and Admin. The main profile area displays the BIO logo, company name 'Biotechnology Innovation Organization', and details: 'Public, NPO, govt., economic development', 'Washington, District of Columbia • United States'. A callout box points to the 'Edit Profile' button, stating 'Update & add to your company profile at any time.' Another callout points to the 'Share' button, stating 'Get meeting requests quickly by sharing your profile on LinkedIn'. Below the company name, there are sections for 'Assets, Services & Market Products' (highlighted), 'Leadership & Delegates', 'Brief Description' (with a callout: 'Include a brief company description that displays in search results. Use rich text to highlight, bold, italicize, underline and use color.'), 'Description' (with a detailed text block about BIO's mission), 'Keywords' (a list of tags like bio, biotech, biotechnology, etc.), and 'Services Offered' (listing BIO Partnering, Membership, and BIO Business Solutions).

Assets, Market Products, & Services

Make it easy for the right partners to find you with Asset, Service & Market Product information.

The screenshot shows a profile page for a "Biotechnology Innovation Organization". The profile includes a bio: "Public, NPO, govt., economic development Washington, District of Columbia • United States" and a "Profile Visible" toggle. Below the bio is a navigation bar with tabs: "Leadership & Delegates", "Assets", "Services", and "Market Products". The "Assets" tab is highlighted with a red box. Below the navigation bar is a "Create New Asset" button with an "Add Asset" sub-button, also highlighted with a red box. Below this is a section titled "Assets (0)" with the text "No Assets Available".

The "Create New Asset" form is shown with a red box around the title and a red arrow pointing to it. The form includes the following fields:

- Asset Name**: A text input field with a red asterisk indicating it is required.
- Asset Type**: A dropdown menu with the option "Choose Asset Type".
- Asset Partnered**: A dropdown menu with the option "Not Partnered".
- Company Website**: A text input field with the placeholder "Enter Company Website".
- Keywords**: A text input field with the placeholder "Enter Keywords" and an "Add" button.
- Description**: A rich text editor with a toolbar containing bold, italic, underline, list, and link icons.
- Highest Development Phase**: A dropdown menu with the option "Choose Development Phase".
- Clinical Indication**: A dropdown menu with the option "Choose Clinical Indication".
- Mechanism of Action**: A dropdown menu with the option "Choose Mechanism of Action".
- Technologies**: A text input field.

At the bottom right of the form are "Cancel" and "Save" buttons.

Assets, Services & Market Products (cont'd)

The main dashboard features a header with the 'Bio' logo and the text 'Biotechnology Innovation Organization, Washington, District of Columbia · United States'. Below this is a navigation bar with tabs for 'Company', 'Leadership & Delegates', 'Assets', 'Services' (which is highlighted with a red box), and 'Market Products'. Under the 'Services' tab, there is a 'Create New Service' section with an 'Add Services' button. Below that is a list of services under the heading 'Services (3)'. The list includes 'Membership' (Type: Other), 'BIO Partnering' (Type: Information Technology), and 'BIO Business Solutions' (Type: Other). Each service entry has a 'Show' toggle switch and a vertical ellipsis menu icon.

This close-up shows the 'Services (3)' list. The 'Membership' service is highlighted. A red box highlights the vertical ellipsis menu icon next to the 'Show' toggle. A dropdown menu is open, showing 'Edit' (with a pencil icon) and 'Delete' (with a trash can icon) options. There is also a 'Hide' toggle switch.

Edit & Delete
by Clicking the
vertical ellipsis

Highlight each asset,
market product or
service with a unique
logo

This close-up shows the edit form for the 'Membership' service. It features a circular logo placeholder with an 'Edit' button. Below the logo, the 'Service Name' field is set to 'Membership'. The 'Service Type' dropdown menu is set to 'Other'. There are 'x' and 'v' icons next to the dropdown.

Delegate Profile

Upload your Headshot, add a background & add a link to your LinkedIn profile

The screenshot shows the 'Edit Delegate Profile' form. The form is for Nicholas Zuccaro, Sr. Manager at the Biotechnology Innovation Organization. The form includes fields for First Name, Last Name, Company, Job Title, Management Level, Area of Expertise, and LinkedIn Profile. A teal callout box highlights the LinkedIn Profile field.

Innovative Approaches to Chronic Disease Therapies

Dear Ronald Phillips,
NuTherapeutics sees a unique opportunity to engage with Unity Pharma in advancing treatments for chronic conditions. With a focus on **cardiovascular and genetic disorders**, we are seeking **co-development opportunities and strategic partnerships** to bring innovative therapies to patients.
I look forward to discussing potential areas of alignment.
Best regards,
Marqo Blevins

Advancing Therapies in Cardiovascular and Genetic Disorders

Dear Ronald Phillips,
NuTherapeutics is committed to transforming medical care in areas of significant unmet need, with a focus on **gynecology, dermatology, andrology, cardiovascular diseases, genetic disorders, and genitourinary health**. Considering Unity Pharma's expertise in developing treatments for chronic conditions, we believe there is a strong potential for collaboration to address critical patient needs.
We would welcome the opportunity to discuss how our **innovative therapeutic platforms** and ongoing research could complement Unity

Meeting Management (cont'd)

Export meeting details and shared contacts for easy follow-up

The screenshot displays the Bio Partnering Meetings interface. On the left is a sidebar with the Bio Partnering logo and navigation links: Dashboard, Search Directory, My Company, Calendar, Meetings (highlighted), Favorites, and Help + Support. The main header shows 'Meetings | 3/150' with a search bar and filters. Below the header, tabs for 'All 2', 'Needs Reply 1', 'Incoming 1', 'Outgoing 1', and 'Unread' are visible. The main content area lists meeting requests from Opal Biosciences and Unity Pharma. A callout box in the top right, titled 'Export meeting details and shared contacts for easy follow-up', shows a dropdown menu with 'Export Meetings' and 'Export Shared Contacts' options. Another callout box, titled 'Quickly send messages, include your contact information & view history & recent activity', points to a message composition window. This window includes a 'Request Meeting' button, a text input field, and a 'Share' button. A third callout box, titled 'Export meeting details and shared contacts for easy follow-up', points to the 'Export' button in the top right of the interface.

Meeting Management (Continued)

The screenshot displays the 'Meetings' management interface. At the top, it shows 'Meetings | 57/150' with a search bar and a user profile for Hannah Mantooth. Below this, there are tabs for 'All 185', 'Needs Reply 8', 'Incoming 21', 'Outgoing 164', and 'Unread'. A 'Request Meeting' button and an 'Export' dropdown are also visible. The main content area is divided into two sections. On the left, under 'Older Requests', there is a list of meeting requests. Two requests are highlighted with a purple box: one from 'Synergy Biopharma [Test Company]' and another from 'Merck Animal Health'. Both requests are for 'Innovative Approaches to Infectious Disease Therapies' and 'Innovative Approaches in Genetic Disorder Treatment'. On the right, there is a 'Requests Selected (3/50)' section with radio buttons for 'Accept All Meetings' and 'Decline All Meetings'. Below this is an 'Add Message' section with a text area and a 'Send' button. At the bottom, there are dropdown menus for 'Required Participants' and 'Optional Participants', and an 'Accept All' button.

[Get started right away with our Quick Start Guide](#)

Getting Started | FAQs | Tutorials

Four Steps for Success

- 1. Complete Your Profile**
Complete or update your company and personal profile information to make it easier for others to find you.
Remember: information = visibility. Add detail to your profile to show up in more search results.
- 2. Set Your Calendar Availability**
Let others know when you're available to take meetings by opening availability in your partnering calendar.
- 3. Search for Partners & Send Meeting Requests**
Search for potential partners and request meetings with them.
Save searches and be notified when new criteria matches your search.
View updates and **respond to all incoming meeting requests by Accepting or Declining them.**

*You can quickly **batch Accept or Decline meeting requests for up to 50 meeting requests at a time!** And include a note with your response.
- 4. Schedule Your Meetings**
Schedule your own meetings using BIO Partnering's virtual meeting links, BIO's in-person meeting space at the San Francisco Marriot Marquis, or your own virtual or physical meeting location.

Access the [Self-Scheduling Video Tutorial](#) and [Quick Start Guide](#) for more help!

Download the BIO Partnering™ Mobile App

The BIO Partnering™ mobile app puts your business development meetings at your fingertips, ensuring you stay organized and connected throughout the event.

Manage your meetings, update your company and delegate profile, view and manage your schedule, and more!
