Organization

# Membership Application

BIO membership is available only to bona fide organizations that promote biotechnology research and support the growth and development of the biotechnology industry; and to organizations with public policy positions and business practices that are generally consistent with BIO's reputation and its policies and principles in support of innovation, including intellectual property, as determined by the Membership Committee of the Full Board. BIO reserves the right to review applications for membership to confirm that the applicant meets these criteria for membership, and for the specified categories of membership as per BIO's bylaws. BIO may, in its sole discretion, reject an application for membership or elect not to renew a membership.
