Andrea:

In view of the Board's decision to institute trial, I provide an updated settlement term sheet for your and your client's consideration. Additionally, as you may know, Mylan Pharmaceuticals has filed its own IPR petition and a motion for joinder. Notwithstanding Mylan's petition and motion, Argentum remains amenable to amicably resolving the pending IPR with UCB. We provide, for your convenience, an exemplary Board decision denying joinder where the first petitioner settled prior to a decision on the joinder motion.

We look forward to your response.

Best regards,
